INDEX OF AUTHORS AND SUBJECTS.

VOL. XLIII.

Accidents, Injuries, Foreign Bodies, Parasites, Reports on, 113, 219, 347, 543, 674
Accommodation and Refraction, Reports on, 80, 184, 308, 462, 565
Advancement, Capsulo-Muscular, with Partial Resection, (S. L. Ziegler) 517
AMES, T. H., Analysis of Blindness as a Symptom of Hysteria, 357
Anatomy, Embryology, Malformation, Reports on, 74, 178, 304, 454, 559
Animals' Eyes, Diseases of, (G. Coats) 62
Anterior Chamber, Hydatids in the, 512
Arteriosclerosis, Scientific Basis for the Treatment of, with Iodide of Potash, (F. Flury) 393
Artificial Eye, Improving the Effects of, (N. B. Harman) 165

BEARD, C. H., "Ophthalmic Surgery," Notice of, 466
BEGLE, H. L., Microscopical and Chemical Analysis of Four Cases of Blood-Staining of the Cornea, 393
BLAAUW, E. E., "Die Augen Symptome der Raynaudschen Krankheit" (The Ocular Symptoms of Raynaud's Disease), Notice of, 683
Blind, Report of Commission for the, 420
Blindness Following Gastro-Intestinal Hemorrhage, (G. H. Grout) 234, 269
Blindness in Children, with Special Reference to Syphilis, (N. B. Harman) 660
BOIT, "Zur Frage der Aderhautabhebung nach Star- und Glaukom-Operationen" (Detachment of the Choroid after Cataract- and Glaucoma-Operations), Notice of, 682
Book Reviews, 223, 350, 466, 677
Brawny Scleritis, (J. B. Lawford) 275
British Medical Association, Report of the Proceedings of the Section on Ophthalmology of, 647
BROWN, E. V. L., Anatomical Study of a Case of Temporal Conus (Coloboma) in a Hyperopic Eye, 254
BUTLER, T. HARRISON, Sarcoma of Lacrimal Sac, 16

Capsulotomy, Subconjunctival-Flap Method of, in Cataract Extraction, (H. W. Wandless) 494
Cataract, Medical Treatment of, 531; New Combination Trial Lenses for Refraction of Eye after Extraction of, (D. N. Dennis) 128; Prognosis of Incipient, (Jessop) 425; Senile, with Two Nuclei, (Clegg) 437
Cataract-Extraction, Post Operative Complications of, Discussion on, 428, 433, 440
Cataract-Operation, The Choice of a, Discussion on, 647
Caustic Burn, (Shannon) 160
Central Artery, Embolism of, (Diem) 271; (H. W. Wootton) 418

Child, Iris-Pigment in the, (N. B. Harman) 426
Chorioretinitis, with Ring Scotoma, (E. J. Curran), 157
Choroid, Colloid Degeneration of the, (Bruder) 417; Double Rupture of, (L. Emerson) 514; Reports on the, 100, 206, 331, 532, 581; Sarcoma of, with Metastases, (G. Holmes) 427; Simple Angioma of the, (J. M. Love) 607
Conical Cornea, Bilateral, (L. W. Callan) 514
Conjunctiva, Reports on, 88, 196, 317, 522, 572; Solid Œdema of, 61
Conjunctival Cul-de-Sac, Restoration of, (J. Wolff) 269
Conservation of Vision, (H. C. Greene and G. S. Derby) 262, 501
Conus, Anatomical Study of a Temporal (Coloboma), in a Hyperopic Eye, (E. V. L. Brown) 254
Convergence Index as a Measure of the Converging Power, (A. Duane) 476
Cornea, Dystrophia Epithelialis of, (R. G. Reese) 57; Extensive Accidental Splitting of the, (A. C. Snell) 620; Hæmosiderin Ring of the, in Keratoconus, and Hæmosiderosis of the Eye in "Diabète Bronzé," (B. Fleischer) 626; Microscopical and Chemical Analysis of Four Cases of Blood-Staining of the, (H. L. Begle) 393; Opacities of the, (Moxon and McNab) 275; Pigmentation of, (J. A. Gehrung), 272; Rare Punctations of, 70; Successful Radium Treatment of Tumor of the, with Remarks on Radium in Ophthalmology, (A. F. Mattice) 237
Cornea and Sclera, Reports on the, 92, 199, 320, 525, 575
Correspondence, Trephining Controversy, 225, 353
CROCKETT, R. L., Cases of Staphylococci Infection of the Eye, Treated with Immuno-Therapy, 379

Dacryocystitis, West's Operation for, 511
DAVIS, M. M., and HARTSHORN, E., A Self-Supporting Eye Clinique for Working People, Report of the First Year of an Experiment at the Boston Dispensary, 643
DENNIS, D. N., An Attachment for Taking Light Fields, 624; Combination Trial Lenses for Refraction of Cataract Cases, 128
DERBY, Dr. HASKET, Obituary Notice of, 687
Diabetes Mellitus, Diseases of the Ocular Nerves in, (M. Hoffmann) 39
DUANE, A., The Convergence Index as a Measure of the Converging Power, 476; The Tangent Curtain, 591

ELLIOT, H., "Sclero-Corneal Trephining in the Operative Treatment of Glaucoma," Review of, 467
Enucleation, an Easy Method of, (F. Fergus), 618; with Implantation of Hollow Gold or Glass Sphere, (A. Greenwood) 1
Eserine, Anomalous Effects of, 298
Evisceration, Death Following, (Clegg) 437
Eye Clinique, Self-Supporting, in Boston, (M. M. Davis and E. Hartshorn) 643
Eye, Metal in the, after Magnet Extraction, (A. F. Mattice) 20; Staphylococci Infection of the, Treated by Immuno-Therapy, (R. L. Crockett) 379

FERGUS, F., An Easy Method of Enucleation, 618
FLEISCHER, BRUNO, A Case of Bilateral Keratoconus Examined Anatomically; the Hæmosiderin Ring of the Cornea in Keratoconus, and Hæmosiderosis of the Eye in Diabète Bronzé," 626
FLURY, F., The Scientific Basis for the Treatment of Arteriosclerosis with Iodide of Potash, 405
Foreign Body, Double Perforation of Eye by, (H. H. Tyson) 151

General and Experimental Pathology and Treatment, Reports on, 71, 174, 297, 453, 549
Glasses, Experimental Protecting, (Crookes-Parsons) 164
Glaucoma, Ideal Incision in, (Herbert) 509; Pathology of, (J. E. Weeks) 270; Pathology of Filtration-Angle in, (R. A. Greeves) 508; Practical Points in Operative Treatment of, (G. Lindsay John-

Glaucoma (*Continued*)
son) 7; Reports on, 103, 209, 335, 533, 582; Variable Flap Operation for, (N. B. Harman) 509; (Laws) 510; with Unusual Symptoms, (Lambert) 154
Glioma, Bilateral, (H. W. Wootton) 418
Golf Ball, Burn of Eye from, (R. Denig) 152
Gonorrhœa, a Contribution to the Study of Endogenous Affections of the Cornea from, (F. Pincus) 136
Gout, New Aspects of, and their Relation to Gouty Diseases of the Eye, (L. Lichtwitz) 25
GRADLE, H. E., A Subjective Examination of the Pupillary Reflexes, 377
GREEFF, R., "Guide to the Microscopic Examination of the Eye," Notice of, 223, 467; Occurrence of Catlike Pupils in Man, 146
GREENE, H. C., and DERBY, G. S., Conservation of Vision, 262, 501
GREENWOOD, A., Enucleation with Implantation of Hollow Gold or Glass Sphere, 1
GROUT, G. H., Permanent Impairment of Vision Following Gastro-Intestinal Hemorrhage, 234, 269
GRUENING, E., Notice of Death of, 368, 587

Hemianopsia, Bitemporal, from Adenoma of Pituitary, (E. Gruening) 153; from Pituitary Disease, (Eagleton) 152
HERTEL, E., "Ueber den gegenwaertigen Stand der Behandlung tuberkuloser Augenerkrankungen" (The Present Standing of the Treatment of Tuberculous Diseases of the Eye), Notice of, 677
HOFFMANN, MICHAEL, Disease of the Ocular Nerves in Diabetes Mellitus, 39
HOLDEN, W. A., A Fifth Case of Acute Disseminated Myelitis, with Retrobulbar Inflammation of the Optic Nerves, 231
Homonymous Hemianopsia, (Hawthorne), 436
Hypophyseal Disease, (H. W. Wootton), 159
Hypopituitarism, (Reese) 273
Hysteria, Analysis of Blindness as a Symptom of, (T. H. Ames) 357

Intraocular Pressure and Arterial Diastolic Pressure, (T. Henderson) 440
IGERSCHEIMER, "Das Schicksal von Patienten mit Keratitis parenchymatose auf hereditar-luetischer Grundlage" (What Becomes of Patients with Parenchymatous Keratitis of Hereditary Syphilitic Origin?), Notice of, 684
Iontophoresis and Strychnia, 72
Iridocyclitis with Trypanosomiasis, (W. S. Inman) 276
Iridosclerotomy in Glaucoma, (B. James) 435
Iris, Absence of Cicatrization in the, after Operation or Injury, (M. McBurney) 12; Cyst of the, (Marple) 661; Melanosarcoma of the, (Weidler) 156; Traumatic Cyst of the, (Diem) 662
Iris and Pupils, Reports on the, 96, 202, 324, 529, 578
Iritis, Rheumatic and Toxæmic, (W. M. Beaumont) 166; Tuberculosa, 61

JOHNSON, G. LINDSAY, Practical Points in the Operative Treatment of Glaucoma, 7

Keratitis, (L. W. Crigler) 56; Disciformis, (H. H. Tyson) 270; Interstitial, for 17 Years, (G. H. Bell) 152
Keratoconus, Bilateral, Examined Anatomically, (B. Fleischer) 626; Operation for, (C. Wray) 512
KNAPP, ARNOLD, Some Results after Trephining, 121, 154
KREVET, B., "Der Werth der Bindehautdeckung bei perforirenden Bulbusverletzungen und Cornealgeschwueren" (Value of the Conjunctival Flap in Perforating Injuries of the Eyeball, and in Ulcers of the Cornea), Notice of, 350
KUEMMEL, R., Increased Intraocular Tension Due to Burns and Corrosive Injuries of the Eye, 50

Lacrimal Duct, Operation for Treatment of, (C. Wray) 64
Lacrimal Organs, Reports on the, 84, 189, 314, 464, 519, 569
Lacrimal Probes, (Weidler) 156
Lacrimal Sac, Sarcoma of the, (T. Harrison Butler) 16

LANDOLT, E., On the Operative Treatment of Squint, 130
LEDERER, R., Intraocular Tension in Passive and Active Motion of the Eyeball, 53
LEMERE, H. B., Angioma of the Lids and Brow, 126
Lens, Dislocated (C. Wray) 428; Foreign Body in the, (Bell) 272; Reports on the, 98, 203, 328, 531, 579
Lenses, Congenital Dislocation of the, (J. A. Gehrung) 271
LICHTWITZ, L., New Aspects of Gout and their Relation to Gouty Diseases of the Eye, 25
Lid, Restoration of, by Pedicled Flap, (E. S. Thomson) 662
Lids, Reports on, 84, 188, 313, 463, 569
Lids and Brow, Angioma of the, (H. B. Lemere) 126
Light Fields, An Attachment for Taking, (D. N. Dennis) 624
Literature, Reports on General Ophthalmological, 66, 223, 350, 466
LOHMANN, W., "Disturbances of the Visual Function," Notice of, 467
LOVE, J. M., Simple Angioma of the Choroid, 607
LUCKIESH, M., Glasses for Protecting the Eyes in Industrial Processes, 382

MACCALLAN, A. F., "Trachoma and its Complications in Egypt," Notice of, 224
Macula, Bilateral Changes at the, (Claiborne) 155; Hole in, (H. H. Tyson), 157
MATTICE, A. F., Metal in the Eye after Magnet Extraction, 20; Successful Treatment of a Corneal Tumor with Radium, with Remarks on Radium in Ophthalmology, 237
MCBURNEY, M., Absence of Cicatrization in the Iris after Operation or Injury, 12
Miscellaneous Notes, Meetings, etc., 228, 355, 468
MORAX, V., "Précis d'Ophtalmologie," Review of, 223
Motor Apparatus of the Eye, Reports on the, 81, 186, 310, 462, 567
Muscles, Further Experience with the Writer's Method of Shortening Ocular, without Employing Sutures under Tension, (R. P. O'Connor) 368
Muscular Anomalies, Relative Value of Tests Used in Diagnosticating, (A. Duane) 57
Myopia, Heredity in, (J. A. Wilson) 659

New York Academy of Medicine, Reports of Proceedings of the Section on Ophthalmology of, 55, 151, 268, 417, 514, 661
NOGUCHI, H., and COHEN, M., Experiments on the Cultivation of the So-called Trachoma Bodies, 117
Nutrition and Intraocular Tension, Reports on, 76, 181, 306, 457, 561
Nystagmus, Discussion on, 281–289

O'CONNOR, R. P., Further Experience with the Writer's Method of Shortening Ocular Muscles without Employing Sutures under Tension, 368
Oculomotor Nerve, Congenital Paralysis of the, with Cyclical Contraction and Dilatation of the Pupil, (G. Coats) 434
ONODI, A., "Die Beziehungen der Thränenorgane zur Nasenhöhle und zu ihren Nebenhöhlen" (The Relationship of the Lacrimal Passages to the Nose and its Accessory Cavities), Notice of, 352
Operations, Dressings in Ophthalmic, 427
Ophthalmic Diseases, Relation of, to General Diseases, Including Poisons, Reports on, 66, 168, 290, 442, 544
Ophthalmological Society of the United Kingdom, Report of the Transactions of the, 423
Ophthalmology, Reports on the Progress of, 66, 200, 290, 442, 519, 666; Salvarsan in, Discussion on, 276–281; Teaching of, to Medical Students, Discussion on, 655
Ophthalmoplegia Externa, Binocular, (L. W. Crigler) 268
Ophthalmoscope, Electrical, (Marple) 156
Optic Atrophy, (Marsh) 515; Following Choked Disk in a Suspected Brain Tumor, (L. W. Crigler) 55

Optic Disk, Hole in the, 512
Opticians, Soap and Water, (C. H. May) 274
Optic Nerve, Partial Coloboma of, (J. H. Claiborne) 270; Rupture of, at Lamina, (E. E. Henderson) 513
Optic Nerve and Visual Tract, Reports on, 110, 215, 344, 541, 670
Optic Nerves, A Fifth Case of Acute Disseminated Myelitis, with Retrobulbar Inflammation of the, (W. A. Holden) 231
Optic Neuritis, Cure of, by Opening Ethmoid and Sphenoid Sinuses, (Marple) 661; in Diabetes, 512
Optic Neuritis and Spinal Myelitis, (Goulden), 435
Orbit, Inflammatory Tumor-Formation of, (A. Duane), 159; Melanosarcoma of, (Reese), 155; Periostitis of, (Emerson) 419; Successful Removal of a Psammosarcoma of the, in a Girl of 13, with Preservation of the Eyeball and its Functions, (G. E. De Schweinitz) 469; Temporal Hydatid Cyst of the, (Gabrieledes) 193
Orbits, Exophthalmos, Accessory Sinuses, Reports on, 86, 191, 315, 519, 571

Papillœdema in Sclerosis, 427
PARKER, WALTER R., Detachment of Retina Occurring in a Case of Neuroretinitis, Restored by Scleral Trephining, Associated with Incision of the Choroid and Retina; no Recurrence after Eight Months' Time, 489
PINCUS, F., A Contribution to the Study of Endogenous Gonorrhœal Corneal Affections, 136
Protecting Glasses, (M. Luckiesh) 382
Pupillary Membrane, Anterior Synechia of the, (W. B. Weidler) 268
Pupillary Reflexes, A Subjective Examination of the, (H. E. Gradle) 377
Pupils, Occurrence of Catlike, in Man, (R. Greeff) 146; Symmetrical Occlusion of the, by the Development of Cysts and Small Solid Masses from the Uveal Layer of the Iris, (J. E. Weeks), 483

QUACKENBOSS, A., Sclero-Corneal Trephining for Glaucoma, Complications and Failures in 100 Cases, 600

Reading and Near Vision, Hygiene of, Discussion on, 653
Research, Remedies, Instruments, and General Operative Technique, Reports on, 73, 178, 302, 453, 555
Retina, Cure of Detachment of, with Neuroretinitis, by Scleral Trephining Associated with Incision of Choroid and Retina; no Recurrence after Eight Months, (W. R. Parker) 489; Cyst of the, (Bell) 418; Detachment of, with Striæ, (T. R. Chambers), 270; Double Detachment of, in Albuminuria, 512; Reports on the, 106, 213, 341, 537, 666
Retinitis, Pigmentosa, (Bell) 664; Solar, (J. Bruder), 417
Royal Society of Medicine, Reports of Proceedings of the Section on Ophthalmology of the, 61, 164, 275, 508

Sarcoma, Epibulbar, (Crigler) 664
DE SCHWEINITZ, G. E., Psammosarcoma of the Orbit in a Girl of 13, Successful Removal with Preservation of the Eyeball and its Functions, 469
Scotoma, Ring, from Gazing at a Furnace, (J. H. Claiborne) 516; Tangent Plane for, (A. Duane) 420
Sense of Sight, Reports on, 78, 181, 308, 459, 561
Sight Tests, Results of, in England, (F. W. E. Green) 658
SNELL, A. C., A Case of Extensive Accidental Corneal Splitting, 620
Sporotrichosis, Ocular, (W. H. Wilder) 161
Squint, Operative Treatment of, (E. Landolt) 130
Staphyloma Verum, (Diem) 663
Sursumvergens, (McDannald) 515
Sympathetic Ophthalmia, Rare Case of, 334; Reports on, 102, 207, 333, 536, 666; Salvarsan in, 208

Tangent Curtain, The, (A. Duane) 591
Teeth and the Eyes, 448
Tension, Increased Intraocular, Due to Burns and Corrosive Injuries of the Eye, (R. Kuemmell) 50; Intraocular, in Passive and Active

Tension (*Continued*)
Motion of the Eyeball, (R. Lederer) 53
Trachoma Bodies, Experiments on the Cultivation of the, (Noguchi and Cohen) 117
Trephining, (R. Denig) 58; Cystoid Cicatrix Following, (Chambers) 155; Discussion on Late Infection after, 656; Sclero-Corneal, for Glaucoma, Complications and Failures in 100 Cases, (A Quackenboss) 600; Some Results after, (A. Knapp) 121
Vitreous, Reports on the, 99, 205, 331, 532, 581

WANDLESS, H. W., A New Procedure in Cataract Extraction, Subconjunctival-Flap Method of Capsulotomy, 494
WEEKS, JOHN E., A Case of Symmetrical Occlusion of the Pupils by the Development of Cysts and Small Solid Masses from the Uveal Layer of the Iris, 483
Wood-Alcohol Blindness, 516
